

Cancer Metabolism and Nutrition Symposium

17th and 18th October in Oulu

We are delighted to invite you to the upcoming joint symposium organized by the Finland-China Food and Health (FCFH) Network and the Fibrobesity Research Programme at the University of Oulu.

This event will provide an excellent opportunity for professionals and researchers to gather and exchange insights on the latest advancements in the fields of cancer and nutrition research. Welcome!

Time: 17th and 18th October 2024

Location: Lecture halls P117 & F202, University of Oulu, Aapistie 5, 90220 Oulu

Participation in scientific sessions is free of charge

However, please register – NOTE! Limited seats available for symposium Dinner for fastest registrants!
